Hopelink's annual Turkey Trot 5K Family Fun Run & Walk is a festive pre-holiday tradition along the shores of Lake Washington. The event brings together families & friends; individuals & teams; runners, walkers, and even puppies!

New this year, the family fun fair will take place at Marina Park in the heart of Kirkland; a great location with a great view ... and an even better cause. Kick off the holiday season with others who are as committed to this community as you are.
